AMERICAN AND CANADIAN HIGH SCHOOL TEACHERS' 1939 TOUR OF JAPAN

THIS leaflet is dedicated to the members of the American and Canadian High School Teachers' Tour Party which visited Japan in the Summer of 1939 at the invitation of the Board of Tourist Industry of the Japanese Government Railways, Tōkyō. It is hoped that this pictorial record will serve in some small

measure as a substitute for the communications of those who were unable to find the time even to send a post card to their friends because of the busy program provided by the Board of Tourist Industry, the Japan Tourist Bureau, N. Y. K. Line and other organizations in Japan.

It is produced also as a modest token of appreciation to the many teachers, who either by word of mouth or pen, have graciously said so many kind things about the N. Y. K. Line ships, their food and service.

Two groups sailed from the North American shores; the first leaving Los Angeles and San Francisco June 21 and 24 respectively on the Kamakura Maru; the second leaving Seattle and Vancouver June 30 and July 1 respectively on the Hie Maru. The Kamakura Maru crossed the Pacific by way of Honolulu, while the Hie Maru traveled the direct northern route to Yokohama. The two groups joined as a unit on the Hie Maru's arrival in Japan, and so remained until they split into two units, one traveling to Tyōsen and Manchoukuo; the second group continuing the Japan tour.

The many get-togethers held on the Pacific—the Captain's Reception, the Aloha Dinner, the Suki-yaki Dinner, the glorious Fourth of July Celebration, the ship's Garden Party, the Sayonara Dinner—were all part of the happy trans-Pacific voyage that the members of the party enjoyed with Captain Kurita and Purser Kai of the Kamakura

After an arduous but profitable tour, the ladies were taken back to their homelands by the Taiyō Maru, Asama Maru and Heian Maru.
