CORY CHARLES CARDINAL

Foreward

Cree poet and prisoner justice advocate, Cory Charles Cardinal, was incarcerated at the Saskatoon Correctional Centre in the early days of the COVID-19 pandemic. Motivated by a passion for justice, Cory was committed to speaking truth and resisting the oppression of his brothers and sisters during the pandemic. He co-organized three major hunger strikes to highlight the inhumane conditions inside and demand change.

This zine is a selection of writing, poetry and visual art about his individual and the collective experiences inside during COVID-19. Following his release, he entrusted his journals and other collected papers to Free Lands Free Peoples and asked us to assemble a zine that would raise awareness.

Cory once said, "The COVID-19 virus is the virus of truth." We continue to stand in solidarity and remain committed to truth and justice for Indigenous peoples and our incarcerated relatives.

EVERY INMATE THAT COMES INTO THE CORRECTIONAL CENTRE NOW MUST GO THROUGH A 14 DAY QUARANTINE AND BE TESTED FOR COVID. THE CORRECTIONAL IS SEVERLY CHANGED FOR THE WORST. PRISON STAFF MUST WEAR MANDATORY MASKS AS THERE WAS GUARDS WHOM HAD COVID BACK IN THE SPRING. THERE ARE NO VISITS FOR INMATES, QUARANTINED INMATES ARE KEPT ISOLATED WITH NO YARD TIME AND ONLY 30 MINUTES OUT FOR SHOWER. THE COURTS ARE BY VIDEO CONFERENCE ONLY AS MANDATED BY HEALTH AUTHORITY.

PROVINCIAL GOVERNMENT

11 NOVEMBER 2020

ON BEHALF OF THE INMATES OF SASKATOON CORRECTIONAL CENTRE WE ASK THE PROVINCIAL GOVERNMENT TO BE MORE TRANSPARENT AND ACCOUNTABLE TO INFORMING THE INMATES WHOM ARE IN THEIR CARE SERVING PROVINCIAL SENTENCES AND ARE REMANDED WHOM ARE NOT SERVING LIFE SENTENCES IN THIS TIME OF PANDEMIC.

SASKATOON CORRECTIONAL HOUSES OVER 500 INMATES WITH 16 UNITS 6 OF WHICH ARE DORMS HOUSING EACH 30 OR MORE SENTENCED/REMAND INMATES LIVING IN CLOSE PROXIMITY SHARING BATHROOMS PER UNIT WITH NO CHANCE OF SOCIAL DISTANCING

3 LIVING UNITS ARE DOUBLE BUNKED ALSO SHARING ONE BATHROOM PER UNIT WITH UNLIKELY HOOD OF SOCIAL DISTANCING. THESE UNITS ARE ALSO USED AS DESIGNATED QUARANTINE UNITS.

THE QUARANTINE PROCEDURES FOR COVID 19 ARE QUESTIONABLE WITH DOUBLE BUNKED QUARANTINE INMATES ON THESE UNITS USING THE SAME BATHROOMS, SHARING THE SAME SHOWERS. AFTER 14 DAYS THESE INMATES ARE MOVED TO AN OVERCROWDED DORM

SASKATCHEWAN HAS 3 TIMES THE NATIONAL AVERAGE FOR HIV INFECTIONS WHICH IS SUCEPTIBLE TO COVID 19. THERE ARE ALSO OTHER PRE-EXISTING HEALTH CONDITIONS LIKE DIABETES, HEP C, ASHMA ECT. THAT ARE PREVALENT WITHIN THIS VULNERABLE DEMOGRAPHIC THAT IS INCARCERATED

(2)

INMATES INCARCERATED HERE THROUGHOUT THIS PANDEMIC HAVE HAD THEIR CIVIL LIBERTIES ERADICATED. THERE IS NO VISITS SINCE SPRING. ONLY A TEN MINUTE EXTRA CALL VIA TELMATE. SWEATS HAVE BEEN DIMINISHED. THERE IS DISPARITY AND LACK OF PROGRAMMING LOSS OF EXERCISE/OUTSIDE FOR QUARANTINED INMATES

THESE DISPARITIES AND HARDSHIPS HAVE INCREASED THE STRESS LEVEL AND CAUSED MORE INMATES TO DEPRESSION AND DESPERATION FACED WITH UNCERTAINTY AND FEAR THAT SHOULD THIS VIRUS HIT THIS PRISON THAT THEIR PROVINCIAL SENTENCES BE CONSIDERED PROBABLE DEATH SENTENCES AS THEIR FUTURE AND HEALTH IS IN THE HANDS OF THE PROVINCIAL GOVERNMENT

WITH THIS BEING SAID WE RESPECTFULLY ASK THE PROVINCIAL GOVERNMENT THE FOLLOWING QUESTIONS IN KEEPING ACCOUNTABILITY WITH THE INMATES THAT ARE IN THEIR CARE. ?

- WHAT IF ANY PROTOCOLS ARE IN PLACE TO ENSURE AND PROTECT THE SAFETY AND HEALTH OF THIS VULNERABLE DEMOGRAPHIC?
- WHAT MEASURES ARE BEING TAKEN OR IMPLEMENTED SHOULD AN OUTBREAK OCCUR THAT AFFECTS THIS OVER CROWDED DORMS?
- IF THERE IS OUT BREAKS WITH HIV POSITIVE INMATES OR INMATES WITH PRE-EXISTING HEALTH CONDITIONS WHAT PROCEDURES OF HEALTH CARE CAN THEY RECEIVE

(3)

SO THAT THEY CAN AVOID
BECOMING SERIOUSLY ILL OR
FACE DEATH?

- WHAT IS BEING DONE TO
ENSURE STRESS RELIEF FOR
INMATES WHOM MUST
REMAIN INCARCERATED THROUGH
THIS CRISIS TO COMPENSATE
FOR THE LOSS OF THEIR
CIVIL LIBERTIES AND MENTAL
HEALTH?

PLEASE CONSIDER THAT THIS
IS A VULNERABLE DEMOGRAPHIC
THAT HAS PRE-EXISTING
HEALTH CONCERNS, INMATES
SERVING SENTENCES THAT
ARE GOING TO BE RELEASED,
REMANDED INMATES WHOM
ARE NOT YET CONVICTED
AND OTHER FACTORS THAT

HUNGER STRIKE (NOV 2020)

Saskatoon · Point of View

'Tomorrow we take action': How Sask. inmates rallied for safer conditions during the pandemic

The health of my people was at risk, writes Cory Cardinal

Cory Cardinal · For CBC Opinion ·

A group of distraught inmates looked at me, their faces full of confusion. What do we do now?

Thirty inmates sat in front of the CTV News at 6, watching helplessly as the rising COVID-19 infections dominated their concerns. The absolute and dismissive replies from the staff only made the scenario worse.

Tight jail quarters, lack of visits take toll during pandemic, inmate says

Positive virus test results fuel alarm among inmates

Cory Charles Cardinal says there's growing alarm on his unit at the Saskatoon Correctional Centre after hearing that three inmates and eight staff at the jail have active cases of COVID-19.

Outbreak at Saskatoon jail sparks discussion of incarceration issues

I began calling meetings with the inmates of my unit, slowly unifying them toward a common purpose. I reached out to Sherri Maier of Beyond Prison Walls and dictated two letters over the phone, sent through email to Christine Tell, the minister of corrections and policing. No response to either.

How can Scott Moe, Christina Tell and other politicians wear the red ribbon, a symbol for World AIDS Day, at the same time turning a blind eye to a vulnerable, immunocompromised, incarcerated demographic that is suffering with COVID 19 on their doorstep?

A week later, on Nov. 17, an outbreak was declared. Prison-wide testing ensued. Around me inmates were bedridden. The tests came back and multiple inmates were declared COVID-19 positive. There was a feeling of despair, anger and depression. With no safe place to go, inmates spent more and more time in their bunks.

THEY ARE HOUSED IN A DORM
WHICH HAS NO CHANCE OF SOCIAL
DISTANCING. THEY ARE VULNERABLE

THEY ARE IN PLASTIC CAGES
LONGING 2 BE HEARD

My many attempts, through complaints, to get more information for inmates was met with ignorance. I had to take things to the next level. The health of my people was at risk.

I HAD TO TAKE THINGS TO THE
NEXT LEVEL. THE HEALTH OF
MY PEOPLE WAS AT RISK

The inmates gathered round in a circle, waiting expectantly for me to approach. As I stepped to my place among my brothers and fellow inmates, a show of true unification was symbolized. We were all working together to try to protect each other. Everyone had their own reasons, their own stories. We came to a common conclusion: the system has once again failed us.

We concluded and closed our circle with handshakes and hugs. We had reached a consensus — tomorrow we take action to protect each other. We hunger strike.

POLITICS by [Cory Charles Cardinal](#) Jan 4, 2021

Within this architecture of oppression, we are a vibrant community of strong, intelligent brothers who eat together, wrestle and play together, and protect each other from a system that has exploited us. This system is rooted in a dominant mainstream society voter-base that has, over 154 years, cultivated prejudiced values to elect a biased government that has reduced us to surviving on watered-down peanut butter sandwiches.

The current events surrounding the COVID-19 outbreak in provincial prisons is an example of the failure to protect vulnerable people in their care, an example of a 154-year-old tradition of ignoring the needs of a vulnerable people in their power to protect, which must not go unrecognized. This cycle of systemic oppression must be broken and must be recognized for what it is: a modern-day act of genocide meant to eradicate a vulnerable people.

We humbly appeal to the intelligent, educated minds that are more suitable and equipped in logic and law to employ and unite in conversations an inquiry into the epidemic of incarcerations, [overuse of remand](#), [over-incarceration of Aboriginals](#), and prevalent structures of colonialism, to mount a defense against the systemic oppression that has tortured our dignity and lives. Please include us in your model of humanity.

We are a collective of community members, prisoner advocates, and penal abolitionists who stand in solidarity with prisoners at the Saskatoon Correctional Centre (SCC), Prince Albert Correctional Centre (PACC), Pine Grove Correctional Centre (PGCC), and Regina Correctional Centre (RCC). On January 4, 2020, incarcerated people across Saskatchewan united in a peaceful protest and hunger strike to call for an official apology and the resignation of the SK Minister of Corrections, Public Safety, and Policing,

If anyone has any messages of support and solidarity for the people sticking on the inside post them here.

They would love to know that there are people who care and are with them right now.

We can get the messages to them ❤️ We will share them anonymously.

This is an action that would mean a lot to them.

Thank you!

The open letter in support of SK prisoners has approx. 1425 signatures--wow. The goal for tomorrow is 1500. Almost there! Share the link if you can

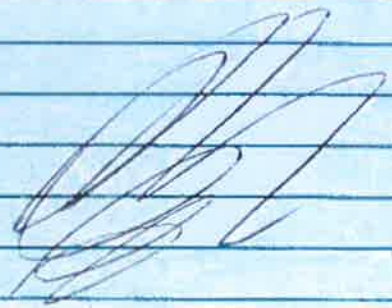

In a recent interview, strike organizer Cory Cardinal said, "There's no words right now that I could possibly muster to express my gratitude for people out there that are supporting me and all the inmates in here... Segregation is a place you go to get muffled, but reading everything in the paper, it gives me strength, it keeps me going, knowing that everybody out there is united in a common purpose."

Inmates for Humane Conditions created the inmate support fund as a long term fund that would support the common inmate for such thing as phone packages to keep in touch with supports, vitamins and food for pregnant inmates, and most importantly a contingency transportation funds so that inmates have the resources to find a safe place after release.

As we are codependent on funds, we encourage our supporters to keep donating and contributing to our inmate support fund as we are in the works in trying to raise enough money to buy a vehicle, so we can be in better desperate need of transportation to pick up inmates so they don't freeze to death.
