A Collection of All the Athlone Fellowship Newsletters

Introduction to the Athlone Fellowship Newsletters

In 1956 the Athlone Fellowship organizers, at the suggestion of an Athlone Fellow, began publishing Annual Athlone Fellowship Newsletters. The Newsletter itself was suggested by *John Godfrey (1954, Manitoba)* and No.1 was issued in December 1956. Except for a change of format in January 1969, it has appeared in exactly the same form yearly until the last number (16). I have used the information in these Newsletters as background for the Athlone History Document. But, more important, I was able to get a feeling as to how the Fellowship was developing, and how satisfied were the organizers of the Athlone Fellowship operations. The most "official portrait" of the Fellowship I gained from the portions extracted here, the Forward, the Management Committee Notes, the Special Notes that were marking transitions in the Management staff, Notes on Conferences, Notes on the Selection Tours, and other notes that I felt were relevant.

[For the information of anyone interested, I have pdf copies of all Newsletters from #1 to #16 and have added them to my document at the UofA Archives, where they can be accessed, and downloaded. However, note that they are all in a single pdf document of 433 pages. Also note that, although each issue included a table showing the names of all the Athlone Fellows up to the time of publication, the entire list is included at the end of the last Newsletter, number 16, so I had purged this table from some of the some of the earlier ones.]

My sincere thanks to all the Athlone Fellows who helped me complete this collection.
