

RESEARCH BRIEF

VR for Pre-Service Teachers - 2021

We want to thank the **7 pre-service teachers** with **public speaking anxiety** for sharing their experiences with a Virtual Reality (VR) program. Below are a few interesting findings from the study:

Pre-service teachers' Thoughts on VR

1. Adjusted to it quickly
2. Easy to interact with
3. Realistic compared to traditional classrooms
4. Useful teacher training tool

Pre-service teachers' Worries about Public Speaking

Was the Virtual Reality Program Successful?

7/7 pre-service teachers felt less anxious about public speaking after using VR.

They also felt more optimistic about their public speaking skills after using VR!

Please check our website [here](#) as more information on this project becomes available.
