# A VALIDATION STUDY OF THE BRIEF ACHIEVEMENT EMOTIONS QUESTIONNAIRE

Thank you to the 563 University of Alberta undergraduate students for taking part in our study. You have made an important contribution to the advancement of understanding and measuring students' emotions while writing exams, in class, and studying. Below are some initial results from the data that you may find interesting! Any questions can be directed to [acme@ualberta.ca](mailto:acme@ualberta.ca)
