## STUDENT GALA

**Saturday 22 April 1995**

**8:00 pm**

Welcome to *Music at Convocation Hall* and this evening's performance by Marek Jablonski. As you wait for the concert to begin, we would like to tell you about a unique event coming to Convocation Hall this April.

As some of you may know, Marek Jablonski is also a faculty member of the Department of Music and an inspiring teacher. In fact, most of the performers in this subscription series teach in the Department. On 22 April you will be able to hear some of their finest students in a gala recital.

It will not be easy to select the performers; there have been several outstanding solo and ensemble recitals already this year, with more to come, and the program will not take shape until April, when the recitals and juries are over.

The Gala will be a time to celebrate our students. Everyone on stage will be students: the master of ceremonies, the scene changers and the performers. It will also be a time to celebrate our teachers and their dedication, not just to the performers onstage but to all the excellent students in our program.

General admission will be \$25.00 for the concert and the Champagne Reception to follow. Proceeds from this event will help establish a Convocation Hall Trust Fund for student support.
