After three years as Assistant Sub-Organist at St Paul's Cathedral, he emigrated to Canada in 1956 to become Organist of St Matthew's Church, Ottawa. Since 1965 he has been Organist of Christ Church Cathedral, Montreal. In 1977 Gerald Wheeler played one of the inaugural recitals on the rebuilt organ at St Paul's Cathedral, and he is well known as a recitalist in Canada, having played concerts in every Canadian province from Newfoundland to British Columbia. He was a member of the jury of the St Alban's International Organ Festival in 1983, and on his most recent recital tour of the UK he played at the cathedrals of Gloucester, Bremen, Exeter and Newcastle-on-Tyne.
