A Filter to Retrieve Studies related to Emergency Departments from the EMBASE Database: Archived Version*

Janice Kung
John W. Scott Health Sciences Library
University of Alberta

Copy and paste into the EMBASE search box:

emergency treatment/ or emergency medicine/ or exp emergency health service/ or evidence based emergency medicine/ or emergency nursing/ or exp emergency care/ or emergency ward/ or emergency/ or (emergicent* or ((emergenc* or ED) adj1 (room* or accident or ward or wards or unit or units or department* or physician* or doctor* or nurs* or treatment*or visit*))).mp. or (triage or critical care or (trauma adj1 (cent* or care))).mp.

Notes:
1. *This is an archived version of the filter, placed here so that researchers who have used this version in a search can return to it. The current version of the filter, the one that should be used in new searches is at: https://guides.library.ualberta.ca/c.php?g=342568&p=5103517
2. This search may retrieve pre-hospital emergency care, but is not designed to retrieve articles related to pre-hospital emergency care.
3. This filter is not validated.
