

Carbone, Rocco and Marcela Croce, eds. *Diccionario razonado de la literatura y la crítica argentinas (Siglo XX) Tomo I: A-G.* (Colección Pingüe patrimonio) Buenos Aires: El 8vo. Loco Ediciones, 2010. 636 p. : 23 cm. 9789872488574: \$29.00. This is the first volume of the first dictionary of Twentieth Century Argentine literature to be published in the 40 years since the Orgambide and Yahni encyclopedia. It includes Argentine authors and critics born since 1890. It proposes a different literary canon than that of past dictionaries: one that is more inclusive, which thinks through Argentine culture beyond traditional boundaries. To do so, the editors enlisted 38 collaborators and 11 academic celebrities. The dictionary offers detailed signed articles with many cross-references to articles in Volumes one and two (tentatively set to be published in 2012). The structure of most articles is consistent throughout the dictionary, except for a few that include a separate bibliography of primary and secondary sources. [DML]
