12	Under the Greenwood Tree Full Fathom Five Lawn as White as Driven Snow Sigh no more, Ladies Crabbed Age and Youth Dirge It was a Lover and his Lass Blow, blow thou Winter Wind	William Mathias (1934-1992)

Text and Translation

Hark, all ye lovely saints above

Hark, all ye lovely saints above, Diana hath agreed with Love, His fiery weapon to remove. Fa la. Do you not see How they agree? Then cease, fair ladies; why weep ye? Fa la.

See, see, your mistress bids you cease, And welcome Love, with love's increase; Diana hath procured your peace. Fa la. Cupid hath sworn His bow forlorn To break and burn, ere ladies mourn. Fa la.

Piangete valli (Weep, forlorn and abandoned vales)

Piangete valli, abandonate sole, E tu, terra, dipingi nel tuo manto I gigli oscur' e nere le viole. La dotta Egeria e la Thebana Manto Con subito furor morte n'ha tolta. Ricominciate o Muse il vostro pianto.

Le chant des oiseaux (The Song of the Birds)

Rèveillez vous, coeurs endormis, Le dieu d'amours vous sonne. Vous serez tous en joie mis Car la saison est bonne.

Les oiseauz quand sont ravis En leur chant font merveilles; Ecoutez bien leur devis, Détoupez vos oreilles.

Et fa ri ro frere li joli
Ti ti pi ti, chouti toui.
Tu, que dis tu?
Le petit sansonnet de Paris,
Le petit mignon: (q'est là bas?
Passe villain. Sainte tête Dieu,
Is est temps d'aller boire)
Sage, courtois et bien apris.

Weep, forlorn and abandoned vales; And you, earth, paint the dark lilies And the black violets on your mantle. Death has snatched the learned Egeria And the Theban manto from us with sudden fury. O muses, start again your weeping.

Rouse yourselves, sleeping hearts, The god of love calls you. You should all be joyful For spring is come.

The birds, all inspired, Do wonders with their song. Listen well to their ditty; Unstop your ears.

(birdcalls)
You, what are you saying?
The little starling of Paris,
The little thing: (Who's there?
Pass, villian. By the holy head of God
It is time to go drinking)
Wise, courteous and well-learned.

Le chant des oiseaux (The Song of the Birds), cont'd.

A sermon, ma maitresse. Sus madame à la messe. A saint Trotin montrer le tétin, Le doux musiquin. Teo ticun, frian frian frian, Tu tu tu, qui l'ara. Coqui coqui oi ti oi ti,

Huyt huyt, ter ter teo
Queo queo, tar tar, fouquet, quibi
Veleci, huyt huyt, ter turri.
Cocu coqui, ou est it,l le cocu?
Fuiez, fuiez, maître cocu,
Sortez de nos chapitre,
vous ne serez point retenu
Car vous n'êtes qu'un traître
Par trahison en chacun nid
Pondez sans qu'on vous sonne

Rèveillez vous, coeurs endormis, Le dieu d'amours vous sonne. Vous serez tous en joie mis Car la saison est bonne.

Hark, the Birds Melodious Sing

Hark, hark, the birds melodious sing, And sweetly, sweetly usher in the spring. Close by his fellow sits the dove, And gently whispers her his love.

Lay a Garland

Lay a garland on her hearse
Of dismal yew;
Maidens, willow branches wear;
Say she died true,
Her love was false, but she was firm.
Upon her buried body
Lie lightly, thou gentle earth.

Go to the sermon, my mistress.
Get thee to Mass, Madam.
To St. Trotin to show off your bosom
And sweet looks.

(birdsongs) ... Who will have it? (birdsongs)
Cuckoo, where is the cuckoo?
Away, go away, master cuckoo,
Get out of our company,
You will not be missed
You are nothing but a traitor.
Betraying in every nest,
You lay without being called.

Rouse yourselves, sleeping hearts, The god of love calls you. You should all be joyful For spring is come. Three Madrigals on texts by Torquato Tasso Siepe, che gli orti vagi (O hedge, which the lovely orchards)

Siepe, che gli orti vaghi,
E me da me dividi,
Si bella rosa in te giammai no vidi,
Com' è la donna mia,
Bella, amorosa e pia;
E mentr'io stendo, Sovra te la mano
La mi stringe pian, piano.

Vita de la mia vita (Life of my life)

Vita de la mia vita
Tu mi somigli pallidetta oliva
O rosa scolorita;
Nè di beltà sei priva,
Ma in ogni aspetto tu mi sei gradita,
O lusinghiera oschiva,
E se mi segui o fuggi,
Soavemente mi consumi e struggi.

Io son la Primavera (I am Spring)

Io son la Primavera. Che lieta, ovaghe donne, a voi ritorno Col mio bel manto adorno Per vestir le campagne d'erbe e fiori E svegliarvi nel cor novelli amori. A me Zeffiro spira, A me ride la terra e'l ciel sereno Volan de seno in seno Gli Amoretto vezzosi a mille mille. Chi armato di stral, di chi faville. E voi ancor gioite, Godete al mio venir tra risi e canti: Amate I vestri amanti Or che'l bel viso amato april v'infiora: Primavera per voi non torna ognora.

O hedge, which the lovely orchards And me from myself divide, I've never seen so beautiful a rose in you As my lady is— Beautiful, loving, and holy; And while I extend over you my hand She presses it, soft, softly.

Life of my life,
You are to me like a pallid olive
or a fading rose;
Nor are you deprived of beauty,
But in every way you please me,
Whether you flatter or shun;
And whether you follow me or flee
Softly you consume and melt me.

I am Spring Who gladly, lovely women, returns to you With my beautiful, embellished mantle To dress the countryside in greenery and flowers And to arouse in your hearts new loves. For me Zephir sighs, For me the earth laughs, as do the serene heavens: From breast to breast fly The charming Amoretti by the thousands, Armed with arrows and with torches. An you, again delighted, Take place in my coming amidst laughing and song; Love your loves, Now, while April adorns lovely faces with flowers: Spring for you will not return forever.

Three Shakespeare Songs

1. Full fathom five thy father lies
Full fathom five thy father lies;
Of his bones are coral made:
Those are pearls that were his eyes:
Nothing of him that doth fade,
But doth suffer a sea-change
Into something rich and strange.
Sea-nymphs hourly ring his knell: Ding-dong.
Hark! now I hear them - ding-dong, bell.

2. The cloud-capp'd towers, the gorgeous palaces

The cloud-capp'd towers, the gorgeous palaces, The solemn temples, the great globe itself, Yea, all which it inherit, shall dissolve, And, like this insubstantial pageant faded, Leave not a rack behind: We are such stuff As dreams are made on, and our little life Is rounded with a sleep.

3. Over hill, over dale

Over hill, over dale,
Thorough bush, thorough briar,
Over park, over pale,
Thorough flood, thorough fire
I do wander everywhere.
Swifter than the moone's sphere;
And I serve the fairy queen,
To dew her orbs upon the green.
The cowslips tall her pensioners be;
In their gold coats spots you see;
Those be rubies, fairy favours,
In those freckles live their savours:
I must go seek some dew-drops here,
And hang a pearl in every cowslip's ear.

8 Shakespeare Songs

1. Under the greenwood tree

Under the greenwood tree
Who loves to lie with me
And turn his merry note
Unto the sweet bird's throat,
Come hither, come hither, come hither:
Here shall he see
No enemy
But winter and rough weather.

Who doth ambition shun,
And loves to live i' the sun,
Seeking the food he eats,
And pleas'd with what he gets,
Come hither, come hither, come hither:
Here shall he see
No enemy
But winter and rough weather.

2. Full fathom five thy father lies

Full fathom five thy father lies;
Of his bones are coral made:
Those are pearls that were his eyes:
Nothing of him that doth fade,
But doth suffer a sea-change
Into something rich and strange.
Sea-nymphs hourly ring his knell: Ding-dong.
Hark! now I hear them - ding-dong, bell.

3. Lawn as white as driven snow

Lawn as white as driven snow;
Cyprus black as e'er was crow;
Gloves as sweet as damask roses;
Masks for faces and for noses;
Bugle bracelet, necklace amber,
Perfume for a lady's chamber;
Golden quoifs and stomachers,
For my lads to give their dears:
Pins and poking-sticks of steel,
What maids lack from head to heel:
Come buy of me, come; come buy, come buy;
Buy lads, or else your lasses cry: Come buy.

4. Sigh no more, ladies, sigh no more

Sigh no more, ladies, sigh no more,
Men were deceivers ever;
One foot in sea and one on shore;
To one thing constant never.
Then sigh not so,
But let them go,
And be you blithe and bonny;
Converting all your sounds of woe
Into Hey nonny, nonny.

Sing no more ditties, sing no more, Of dumps so dull and heavy; The fraud of men was ever so Since summer first was leavy. Then sigh not so, But let them go, And be you blithe and bonny; Converting all your sounds of woe Into Hey nonny, nonny.

5. Crabbed age and youth cannot live together

Crabbed age and youth cannot live together:
Youth is full of pleasure, age is full of care;
Youth like summer morn, age like winter weather;
Youth like summer brave, age like winter bare.
Youth is full of sport, age's breath is short;
Youth is nimble, age is lame;
Youth is hot and bold, age is weak and cold;
Youth is wild, and age is tame.
Age, I do abhor thee; youth, I do adore thee;
O, my love, my love is young!
Age, I do defy thee: O, sweet shepherd, hie thee,
For methinks thou stay'st too long.

6. Fear no more the heat o' the sun

Fear no more the heat o' the sun, Nor the furious winter's rages; Thou thy worldly task hast done, Home art gone, and ta'en thy wages; Golden lads and girls all must, As chimney-sweepers, come to dust.

Fear no more the frown o' the great; Thou art past the tyrant's stroke: Care no more to clothe and eat; To thee the reed is as the oak: The sceptre, learning, physic, must All follow this, and come to dust.

6. Fear no more the heat o' the sun (cont'd.)

Fear no more the lightning-flash, Nor the all-dreaded thunder-stone; Fear not slander, censure rash; Thou hast finished joy and moan; All lovers young, all lovers must Consign to thee, and come to dust.

No exorciser harm thee! Nor no witchcraft charm thee! Ghost unlaid forbear thee! Nothing ill come near thee! Ouiet consummation have: And renownéd be thy grave!

7. It was a lover and his lass

It was a lover and his lass It was a lover and his lass, With a hey, and a ho, and a hey nonino That o'er the green cornfield did pass. In spring time, the only pretty ring time, When birds do sing, hey ding a ding a ding; Sweet lovers love the spring.

Between the acres of the rye, With a hey, and a ho, and a hey nonino, These pretty country folks would lie, In spring time, the only pretty ring time, When birds do sing, hey ding a ding a ding; Sweet lovers love the spring.

This carol they began that hour, With a hey, and a ho, and a hey nonino, How that a life was but a flower In spring time, the only pretty ring time, When birds do sing, hey ding a ding a ding; Sweet lovers love the spring.

And therefore take the present time With a hey, and a ho, and a hey nonino, For love is crownéd with the prime In spring time, the only pretty ring time, When birds do sing, hey ding a ding a ding; Sweet lovers love the spring.

8. Blow, blow thou winter wind

Blow, blow thou winter wind, Thou art not so unkind As man's ingratitude; Thy tooth is not so keen Because thou art not seen, Although thy breath be rude. Heigh ho! sing heigh ho! unto the green holly: Most friendship is feigning, most loving mere folly: Then, heigh ho! the holly! This life is most jolly.

Freeze, freeze thou bitter sky, Thou dost not bite so nigh As benefits forgot: Though thou the waters warp, Thy sting is not so sharp As friend remember'd not. Heigh ho! sing heigh ho! unto the green holly: Most friendship is feigning, most loving mere folly: Then, heigh ho! the holly! This life is most jolly.
