subject: **Recording of Noon-Hour Organ Recital of April 9, 1997**

Dear Marnie,

I regret to inform you that the recording of the Noon-Hour Organ Recital on April 9, 1997 didn't turn out so well... Rarely does one come across a bad DAT tape but this one exhibited quite a bit of "dropout." ie. all sound disappears for a couple of seconds at a time.

The only piece which escaped the defect was the last piece on the program -- Allison's and Michelle's Trilogie. Although it can be a tad annoying to listen to I've submitted a cassette copy to the Music Library nonetheless. I apologize for any inconvenience this may cause.

Sincerely,

Chris Helman
