## FOREWORD

In the publication of this Directory of Community Services, you will find many changes from our previous effort.

The major change has been the alphabetical listing of the agencies and services, to avoid multiple entries with the necessity for cross reference. In its stead we have introduced a fairly elaborate classified index, arranged as logically as can be done in this field of endeavor. The addition of a "Guide to the use of the Directory" may prove a valuable short-cut.

It should be noted that we have only assumed responsibility for compiling and editing the Directory. In other words, the Council has not set any qualitative criteria for an organization listing, except the very general requirement that the organization must be concerned with community services on a non-profit basis.

Our appreciation for assistance in preparing the Directory goes in the first place to the organizations submitting material. We would also like to express sincere thanks to Miss Sheila Oakes, of the YWCA Teen Club, for her many voluntary hours spent in typing the copy in the required form. In addition, we are very grateful to Miss Heatherbelle Singer, the Reference Librarian of the Edmonton Public Library, for her invaluable advice and her many hours of voluntary effort in assisting with the classified index. And, lastly, we want to express our appreciation to Mrs. A.J. Norquay, Mrs. C.B. Jakes and Mrs. W. Derksen for scrutinizing the copy so thoroughly.

**In order to obtain the**

**best results from it,**

**please consult the de-**

**tailed guide starting**

**on the opposite page.**

## GUIDE TO THE USE OF DIRECTORY

1. If you wish to find the address of an organization, or wish to check its services, you can do this by going through the listings as they are organized alphabetically. We have followed, as much as possible, the alphabetical listing of the City Telephone Directory, for example:

- a) All Federal Government services are listed under "Government of Canada".
- b) All Provincial Government services are listed under "Government of Alberta".
- c) All City of Edmonton services are listed under "City of Edmonton".

### EXCEPTIONS:

- a) All Camps are listed, irrespective of the name of the parent organization, under "C - Camps and Camping".
- b) Since services provided by Service Clubs, Auxiliaries, Fraternal and other similar organizations may vary from year to year, and since names and addresses of officers change annually, no listing has been attempted in this Directory. However, information of this nature may be secured from the current files of Welfare Information Service at GA 4-7966.

2. USE OF CLASSIFIED INDEX, SEE PAGE 9 - "CLASSIFIED INDEX"

3. If you have any doubt about where to turn, or if you need more specific information not contained in the Directory, phone the Welfare Information Service GA 4-7966.

4. For quick reference, phone numbers of agencies are listed on the back cover.

5. Blank pages have been inserted in the back for your convenience to list additions and changes. Revisions will be mailed to you from time to time.

### SOME SAMPLE PROBLEMS

We have listed below some of the major problem areas you may encounter, and some suggestions on which agency to use in each case. If in doubt phone Welfare Information Service, GA 4-7966.

1. FINANCIAL NEED: The City, the Province or the Dominion, separately or together, are responsible for meeting financial need. Persons living in any municipality, town or city (12 months out of the previous 24) may apply to City Welfare Department; those not living in any municipality, city or town, or having residence outside Alberta, may apply to Department of Public Welfare, Government of Alberta.
2. CHILD NEGLECT: Where it is thought a child is being mistreated, abused or neglected within the boundaries of the City of Edmonton, contact the City Welfare Department. If such is happening outside the City boundaries, contact the Department of Public Welfare, Regional Office.
3. UNMARRIED MOTHER: The unmarried mother is the responsibility of the Provincial Government, Department of Public Welfare and is entitled to receive services such as financial assistance, counselling, placement, medical and hospital services, and adoption. Other agencies working with the unmarried mother are the Family Service Bureau, the Misericordia Hospital Social Service Department, Beulah Home and St. John's House.
4. REHABILITATION FOR THE DISABLED: Financial assistance, casework and referral services are provided through the office of the Co-ordinator for Rehabilitation, Department of Public Welfare, Regional Office. Other agencies providing services in this area are: the Rehabilitation Society, the Polio Foundation, the Alberta Council for Crippled Children and Adults, the Alberta Tuberculosis Association,

4. REHABILITATION FOR THE DISABLED: Continued  
the Workmen's Compensation Board, National Employment Service - Special Placement Section, and others.
5. SERVICES FOR THE AGED: Pensions to all persons 70 years of age and over are available upon application from the Post Office. Other problems such as financial, housing, bus passes, etc., are provided through either the City Welfare Department or the Department of Public Welfare.
6. JUVENILE DELINQUENCY: Responsibility for detection and apprehension rests with the Police Department's Juvenile Investigation Branch.
7. FAMILY PROBLEMS: For personal problems, marital difficulties, or problems with children a counselling service is provided at the Family Service Bureau or the Jewish Welfare Society. Services are also provided by the Family Court which has at its disposal the services of the City Welfare Department, Family Counselling Section.
8. HEALTH NEEDS: Primary responsibility rests with the Provincial Department of Health, for instance, Cancer Services, Polio Services, Drugs for the diabetic, tuberculosis treatments and treatment of venereal disease. Certain preventative services are offered by the Local Board of Health of the City of Edmonton, such as free inoculation clinics, vaccination against polio, school health services and pre-natal and well-baby clinics.
9. RECREATION NEEDS: Questions concerning parks, golf links, swimming pools, etc., should be directed to the City Parks Department. The City Recreation Department is responsible for providing playground programs, and leadership for community recreation programs, etc. Other programs are offered by such organizations as the YMCA, YWCA, Boy Scouts, Girl Guides and others.

## CLASSIFIED INDEX

NOTE: To use the Classified Index, take the following steps:

1. Look through the categories listed immediately below to find the particular service (small letters) or special groups of persons (capitals) with which you are concerned.
2. Find this category in the Classified Index (arranged alphabetically).
3. Choose the agency or agencies listed that best seem to answer your concern.
4. Turn to the paragraph number listed opposite the agency for complete information concerning its services.
