

Mapping the Scholarship of Teaching and Learning (SoTL) Across Canada

Monica Sanago¹, Genevieve Newton¹, and Janice Miller-Young²
¹University of Guelph, Guelph, ON, ²University of Alberta, Edmonton, AB

ABSTRACT

SoTL Canada recently conducted a survey to gain insight into the SoTL activities of faculty and staff at institutions of higher learning across Canada. Survey questions were guided by several interests, including:

1. Who is doing SoTL?
2. How is it conducted, supported, disseminated?
3. At what levels is it occurring?

For more background, details, and references see the SoTL Canada blog:
