

# TAPoR 3 Discover research tools for studying texts.

## Project Leads:

[Geoffrey Rockwell](#), University of Alberta

[Kirsten C. Uszkalo](#), University of Alberta

[Stéfan Sinclair](#), McGill University

[TAPoR Advisory Board](#) is a board advising in the redesign.

[TAPoR Volunteers](#) are people who are helping us with the redesign.

[Just What Do They Do?](#) is a SSHRC funded project to look at what text analysis users do. It includes subprojects to model new ways to help users discover tools. Co-investigators include [Geoffrey Rockwell](#), [Lisa Given](#), [Eleni Stroulia](#), and [Stéfan Sinclair](#). [Joseph Dung](#), [Amy Dyrbye](#) and [Lisa Goddard](#) are Humanities Computing Research Assistants who worked on this project.

TAPoR 3

TAPoR has been supported by the University of Alberta, McMaster University, the Canada Foundation for Innovation, Compute Canada and the Social Science and Humanities Research Council of Canada

[About TAPoR](#)
