

Conference Online Volume hosted by
University of Alberta Education and Research Archive

***The Idea of Place:
20th Anniversary Conference of
Space and Culture Journal***

theideaofplace.com/proceedings

For the record, please archive your presentation/paper/powerpoint/multimedia in University of Alberta's digital archive. This online collection is "The Idea of Place: 20th Anniversary Conference of Space and Culture Journal" in the PLACE community of ERA Univ. of Alberta Digital Archive. This is a professionally managed digital repository that will place your work in context and make it searchable and internationally accessible under a Creative Commons copyright with whatever restrictions you select. The online volume will be accessible as theideaofplace.com/proceedings and directly through the ERA as: <https://era.library.ualberta.ca/collections/brx913q02c>

Certificates of Conference Participation (including by Skype) may be requested from theideaofplace@gmail.com after you have deposited your presentation in ERA.

Space and Culture journal will be soliciting articles for one or more Anniversary special issues based on the presentations deposited to ERA.

Questions and technical problems, please contact ERA HelpDesk: erahelp@ualberta.ca / 780.492.4359 or <https://www.library.ualberta.ca/research-support/era> Contact the ERA Helpdesk to:

- initiate mediated deposit of your work
- obtain assistance with searching ERA or depositing items into ERA
- ask a question about your existing deposits in ERA
- report a technical problem or bug
- provide suggestions or feedback
