Instructions: Enter the appropriate information in cells C3 to C6. As you receive Partner Contribution Statements from your host institution and partner organizations, enter the total cash and in-kind contributions into the table below. If you require more space for partners and/or other contributions, use the "unhide" function to open hidden rows 34-68 (for partners) and rows 74-93 (for other contributors). Note that Partner Contribution Statements are not required for other contributors. As you start to enter contribution amounts in the table below, the total contributions to-date and the leveraging percentage will be automatically calculated in cells C7 and C8, respectively. The reporting period for each year is from April 1st to March 31st. Please submit this table to partnershipgrants@sshrcc-crsh.gc.ca by April 30th of each year of your project. You are also asked to keep the Partner Contribution Statements for the duration of the award as these statements may be requested by SSHRC.
